**Quantity Surveyors & Construction Cost Consultants**

We handle our projects with customers' specifications met perfectly. We develop a comprehensive range of services for our clients' selection.

**Welcome**

**As quantity surveyors in a competitive market place, it is imperative that CQS stay ahead of competitors through constant innovation and a focus on continually improving our systems and people.** It is this, along with our customer service excellence and national service coverage, which places CQS as one of the fastest growing and most successful Quantity Surveyors in the Tanzanian marketplace today. Our mission is to exceed the expectations of our clients through our desire to be uncompromising in quality. Achieving our vision depends upon skilled, professional employees who understand our clients and their changing property needs.

This is met with continuing education, the latest applications in IT resources and
