Olympic Exploration Tanzania's Uranium Exploration Company

HOME ABOUT US SERVICES CONTACT US

Welcome

Olympic Exploration is a Tanzanian based mineral exploration company committed to exploring and developing quality assets globally.

The company is particularly focused on solid energy (Coal and Uranium) and has a portfolio of assets in Tanzania, Africa. The Company has selected the projects based upon historical drilling or sampling results combined with robust geological concepts and models. It considers that the core projects especially the advanced coal deposits in Tanzania are quality mineral assets and ones that will see the company grow quickly from junior explorer to major producer.
